Directions for setting up a blog using kidblog:

1. Go to kidblog.org
2. Click on Sign up for Free (under teachers)
3. Type in your name (first and last), a password, and your Buford City Schools Email
4. Check the box that says I'm not a robot
5. Click sign up
6. Make sure you verify your email address and that will take you to the dashboard
7. Click on Create New Class (top right)
8. Create a Class Name (Mrs. Bennett's Class)
9. Add a description (Gooney Bird Greene)
10. Create class- your blog is created!
    (you might want to bookmark your blog page)

Directions for getting the code for students to join the blog:

1. Click on your class name (on the left)
2. Click on settings
3. Click on users (on the toolbar at the top)
4. Click on the blue Registration Codes (top right)
5. Click on Enable for the Student code
6. Write down the code and give to students
   (if you forget the code, you can follow steps 1 through 4)

Directions for students joining the blog:

1. Go to kidblog.org
2. Click on Enter your Class Code (under students)
3. Type in the student code
4. Click Join
5. Students type in their Name
6. Student password (lunch number)
7. Skip the email
8. Check I'm not a robot & sign up
   (Students will see your class blog)

Directions for how to create a post from your dashboard:

1. Click on blue New Post +
2. Type in the post title (type in the question)
3. Description Box: give further directions on how to answer questions, give a sample answer
4. Click the blue Publish button (top right)
5. Choose classmates (all classmates can view and comment)

   **For summative assessment- students create blog and publish for teacher (only teacher can view and comment)
