

**Buford Professional  
Learning**

**Goformative**

# Benefits of using Goformative:

- Immediate feedback
- Send students feedback for them to make corrections
- Grade writing easily by question
- Students can draw answers

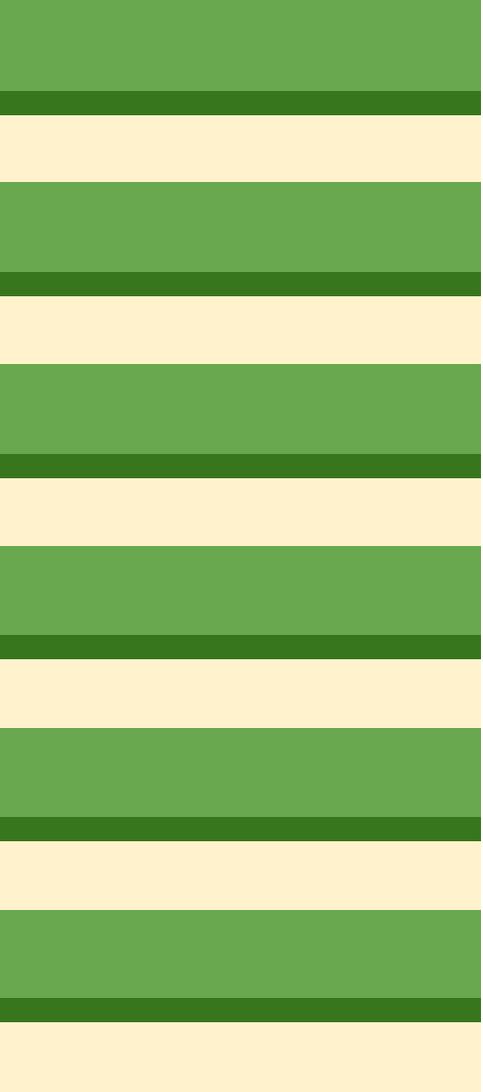

# Ways to use Goformative in your classroom:

- Pre-test for a topic, formative check after a lesson (or to make groups for reteaching/enrichment), and summative tests
- Learning centers

**Please go to**  
**<https://goformative.com/join>**  
**and enter** **NQXY744**

# Creating your account:

- Begin by clicking on sign-up.
- Then sign-up as a teacher (your students will sign-up as a student).
- Teachers and students: click the red button, “Sign Up with Google.”
- Signing up with google is GREAT for to help alleviate with the number of log-ins we and students currently use! :)

# Home base:

The screenshot shows the Formative dashboard interface. At the top left is the 'formative' logo. On the top right, there are links for 'Community', 'Quick Code', and 'Dashboard'. Below the logo, there are three main navigation tabs: 'Assignments', 'Profile', and 'Classes'. To the right of these tabs is a 'Sign Out' button. Below the navigation tabs, there are two main action buttons: '+ New Assignment!' on the left and '+ New Folder' on the right. Below these buttons, there are two links: 'View Tutorial Videos' and 'Found a Bug?'. A red arrow points from the text 'Start here with creating classes.' to the 'Classes' tab. Another red arrow points from the text 'Help button' to a circular help icon in the bottom right corner of the dashboard.

# Creating a class and class code:

The screenshot shows the 'Classes' page in the Formative interface. At the top, there is a navigation bar with the 'formative' logo on the left, a 'Quick Code GO' button, and a user profile icon labeled 'KG'. Below the navigation bar, there are two tabs: 'Dashboard' and 'Classes', with 'Classes' being the active tab. A prominent blue button labeled '+ Create New Class' is centered below the tabs. Underneath, a list of classes is displayed, each with a colored dot, the class name, and the number of students in parentheses. To the right of each class name is its unique class code, followed by a vertical ellipsis menu icon. The classes listed are: 'Currie (0)' with class code 'YVAJ943', 'Gulisano (0)' with class code 'EUFM237', and 'Technology Class (0)' with class code 'YHQX637'. A red arrow points from the text below to the class code 'YHQX637'. At the bottom left, there is a link 'How To Enroll Your Students' with an information icon. At the bottom right, there is a blue circular chat icon.

- Technology Class (0) Class Code: YHQX637

How To Enroll Your Students

Each class receives their own unique class code. This is how students will join your class to complete assignments.

**Please go back to  
Homebase to create  
an assignment.**

# Creating an assignment:

- Title the assignment
- You have four options for the types of questions you would like to include in your assignment: multiple choice, show your work, short answer, and true/false.
- At the bottom of each question, you can determine how many points you would like each question to count.
- After each question, you can add another question, add content, or upload & transform. You can also add a “hint” for the question by clicking the “help text” button.
- If you need to remove a question, click on the red trash can located above it.
- Change the order of your questions by using the up/down arrows located above the question.

## 1 Multiple Choice

The mascot of Buford High School is

- A wolf
- B yellow jacket
- C bulldog
- D lizard

Choose the classes to assign. You can also use the code at the bottom to send out to colleagues to share the assignment.

The screenshot displays the Goformative interface. At the top, the 'formative' logo is on the left, and navigation tabs for 'Build', 'Preview', and 'Live Results' are in the center. Below this is a header for 'Goformative Training'. The main content area shows a quiz question: '1 Multiple Choice' followed by 'The mascot of Buford High School is'. Below the question are four options: 'A wolf' (checked), 'B yellow jacket', 'C bulldog', and 'D lizard'. On the right side, a sidebar titled 'Goformative Training' contains settings. Under 'Enable for', there are two buttons: 'Everyone' and 'Only Classes'. Under 'Classes', there are three items: 'Gulisano' (unchecked), 'Currie' (unchecked), and 'Technology Class' (checked). A red arrow points to the 'Currie' item. Below the class list is a green 'Open' button. Under 'Access', there is a note: 'Selected classes now have access in their dashboard. Shortcuts are enabled for your classes only.' At the bottom of the sidebar, there are four icons: 'Quick Code', 'Link', 'Classroom', and 'Embed Code'. A large blue code 'NQXY744' is displayed, with a red arrow pointing to it. Below the code, it says 'Enter this code at https://goformative.com/join'.
