

# Intro to Google Classroom

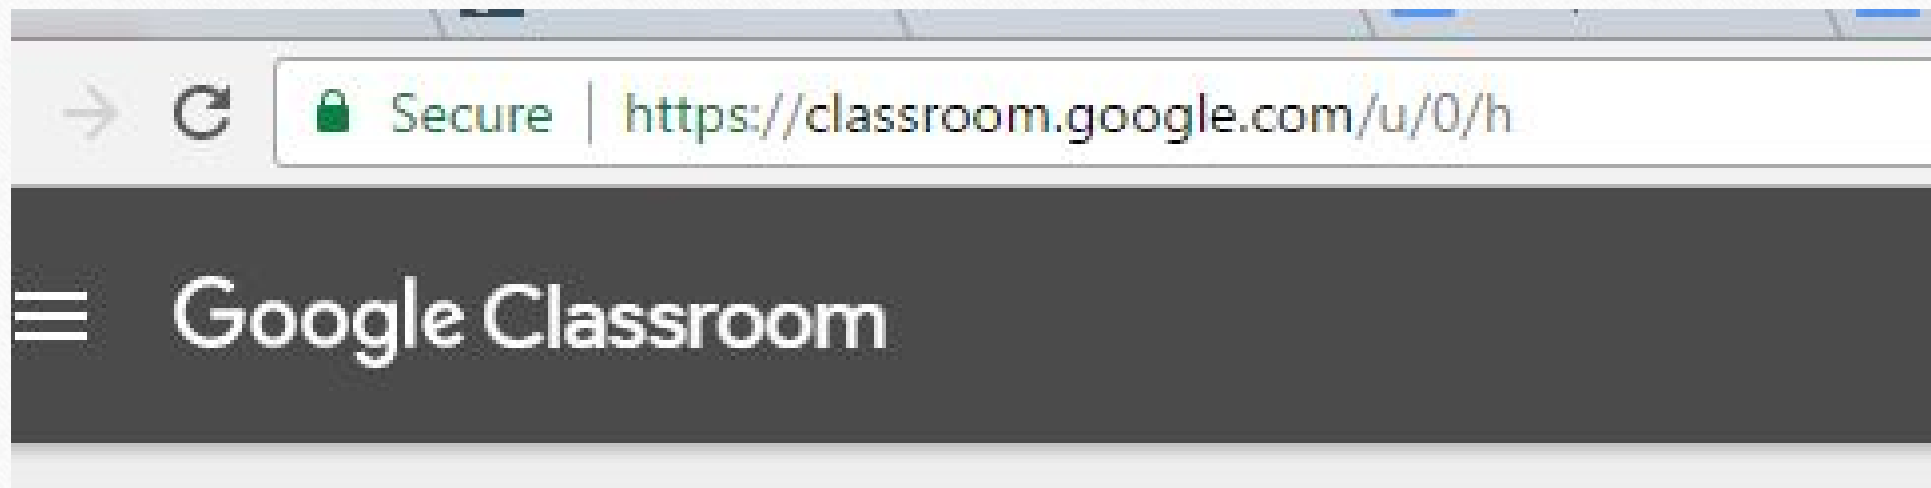

Lacey Crumley

# Step 1

---

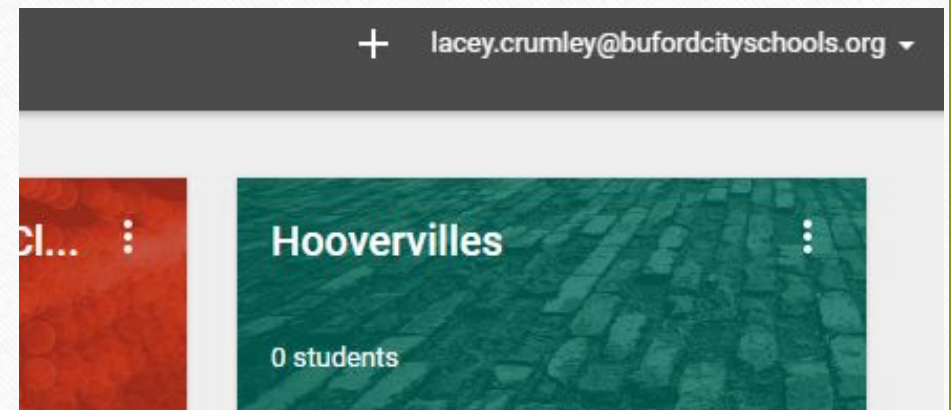

- **Go to Classroom.Google.com**

## Step 2

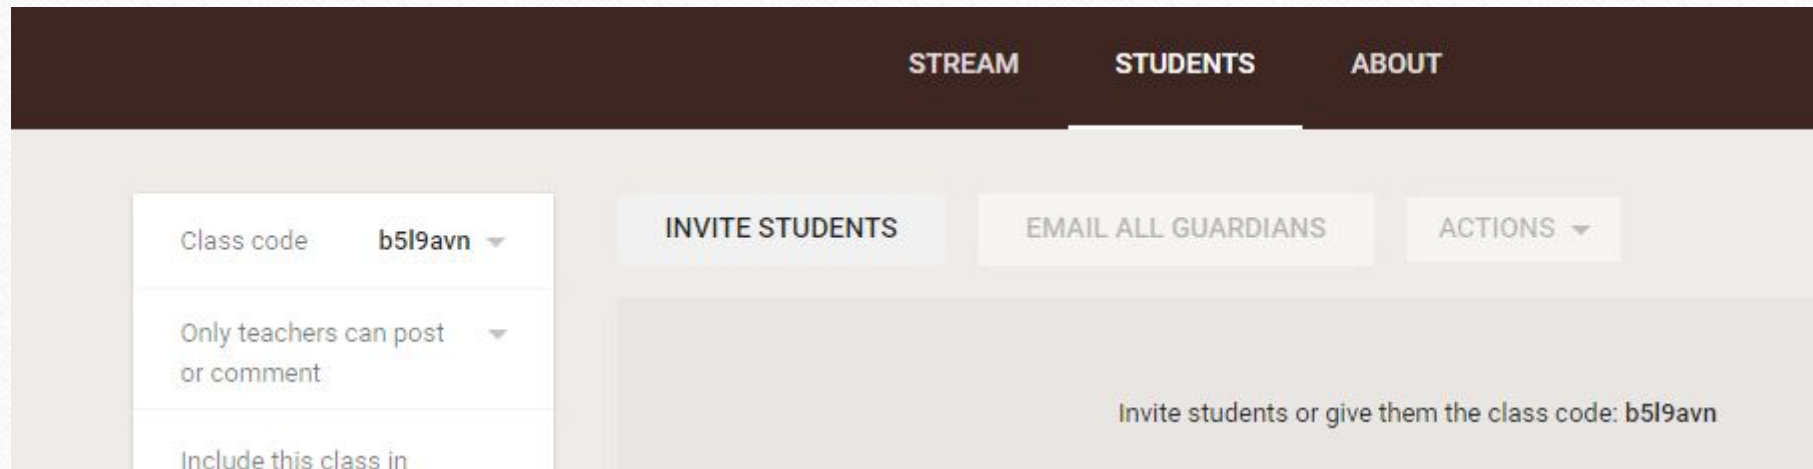

---

- **Make a Google Classroom**
- **Click the + sign to create a new class**
- **for each subject you teach.**
- **You will give your class your code to join.**

# Step 3

- Find the class code you will give to each class.

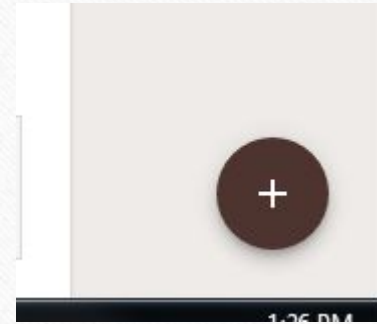

The screenshot displays a web interface with a dark navigation bar at the top containing the links 'STREAM', 'STUDENTS', and 'ABOUT'. Below the navigation bar, there is a sidebar on the left with three menu items: 'Class code' (set to 'b5l9avn'), 'Only teachers can post or comment', and 'Include this class in'. The main content area features three buttons: 'INVITE STUDENTS', 'EMAIL ALL GUARDIANS', and 'ACTIONS'. Below these buttons, a message reads: 'Invite students or give them the class code: b5l9avn'.

# Step 4

---

- **How to create an assignment or share a link**
- **Find the + sign in the bottom left corner.**

# Step 5

- A list of options will pop up from the + sign.
- Select what you would like to post to your class & upload the document or
