

Subject: Tech Tip of the Week: Easily Recycle your electronics

Date: Friday, May 16, 2014 12:16:56 PM ET

From: Adam Meador

To: Adam Meador

This week's installment is all about recycling those old electronics you have in your junk drawer. The parent company of Redbox has a new kiosk based recycling service. Imagine a CoinStar for your old cellphones. That is the basic premise of the service. If you have a drawer full of old flip phones, take them to ecoATM. See below to find out more.

More info: <http://goo.gl/iNJM7D> Video of how it works: <http://goo.gl/HPLZia>

**DON'T TRASH IT.
CASH IT.**

Introducing ecoATM.

From Outerwall—the company that brings you Redbox
Got a cellphone, MP3 player or tablet you're not using?
Don't let it end up in a landfill. Recycle it for CASH at
ecoATM—the world's first recycling kiosk for electronics.
