

Welcome! Getting started with ClassDojo

ClassDojo helps teachers positively encourage students in class, easily communicate with parents, and empower student with student-led portfolios. Check out these tips to help you get started!

3 steps to getting started quickly!

1. Download the app (Android or iOS) or go to [classdojo.com](https://www.classdojo.com) to create a free account
2. Get set up by adding a class and students!
3. Invite parents by clicking “Invite parents” and printing invitations or sending them by email.

Top tips from teachers

- Set up your custom skills with your students - this gives them ownership of the class culture!
- Start small! Focusing on just a few skills will go a long way when engaging students
- Send a welcome message on Class Story - parents will immediately become part of your community
- If you have a class iPad, have students post photos of their work to their stories - they love showing off what they've worked on!
- Turn up the volume to let students hear the positive 'ding' :)
- Most importantly- have FUN!!!
