\* Consider your purpose when creating projects.

# Make a Search

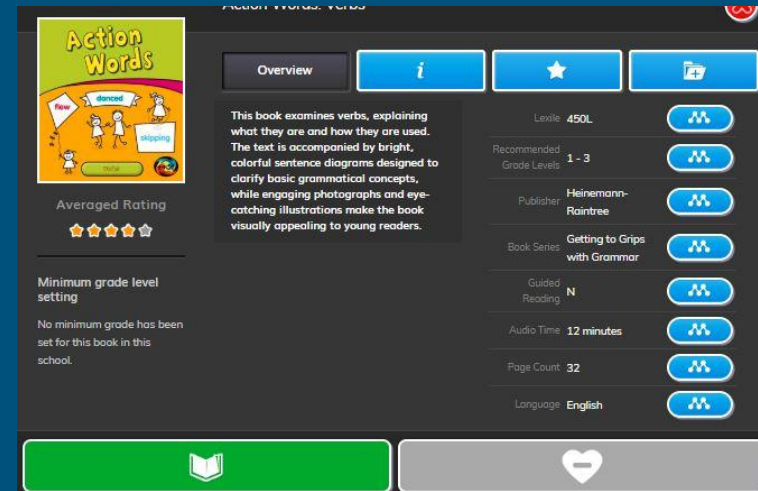

- Click on *Library* at the top of your dashboard
- Click on *Search*
- Narrow the search if you choose or keep open to see more choices
- Type a title, series, content, theme, interest, skill, etc.
- Click on *the heart* to add a book to your favorites (this makes it easier to assign to a project or student later)

# Book Study Lists

When sharing books with students, it is easier to look for books, love them, and then sort them into a project.

- Select book and click on the *i* button
- Click on the folder to add to a project
- Select from a project or start a new project
- Click SAVE

The screenshot shows a book detail page for 'Action Words'. The page is dark-themed with a green bar at the bottom. On the left, there is a book cover for 'Action Words' with a yellow background and illustrations of children. Below the cover is an 'Averaged Rating' of 4.5 stars and a 'Minimum grade level setting' section that states 'No minimum grade has been set for this book in this school.' On the right, there is a 'Book Information' section with a table of details. At the top right, there are four buttons: 'Overview', 'i', a star, and a folder icon. At the bottom, there is a green 'Read' button and a grey 'Love' button with a heart icon.
