**TENMARKS**  
an **amazon** company

An app to Reinforce,  
Differentiate, and Engage

# Buford Professional Learning Network

## TenMarks

- Assignments are tied to Common Core standards
- Organizes assignments and jam sessions by domains
- Able to create tracks/units to load assignments in
- Able to create multiple classes
- Students gain points to unlock games

# Buford Professional Learning Network

## Jam Sessions

- Way to quickly practice skills to gain fluency
- Provides students with instant performance feedback
- Standard aligned

# Buford Professional Learning Network

## Assignments

- Each assignment has 10 questions
- Students have the option to have the questions:
  - Read
  - Watch an instructional video
  - Receive 3 hints
- Students receive an explanation for questions that are answered incorrectly
- Shows the top three mistakes students are making (On the teacher side)

# Buford Professional Learning Network

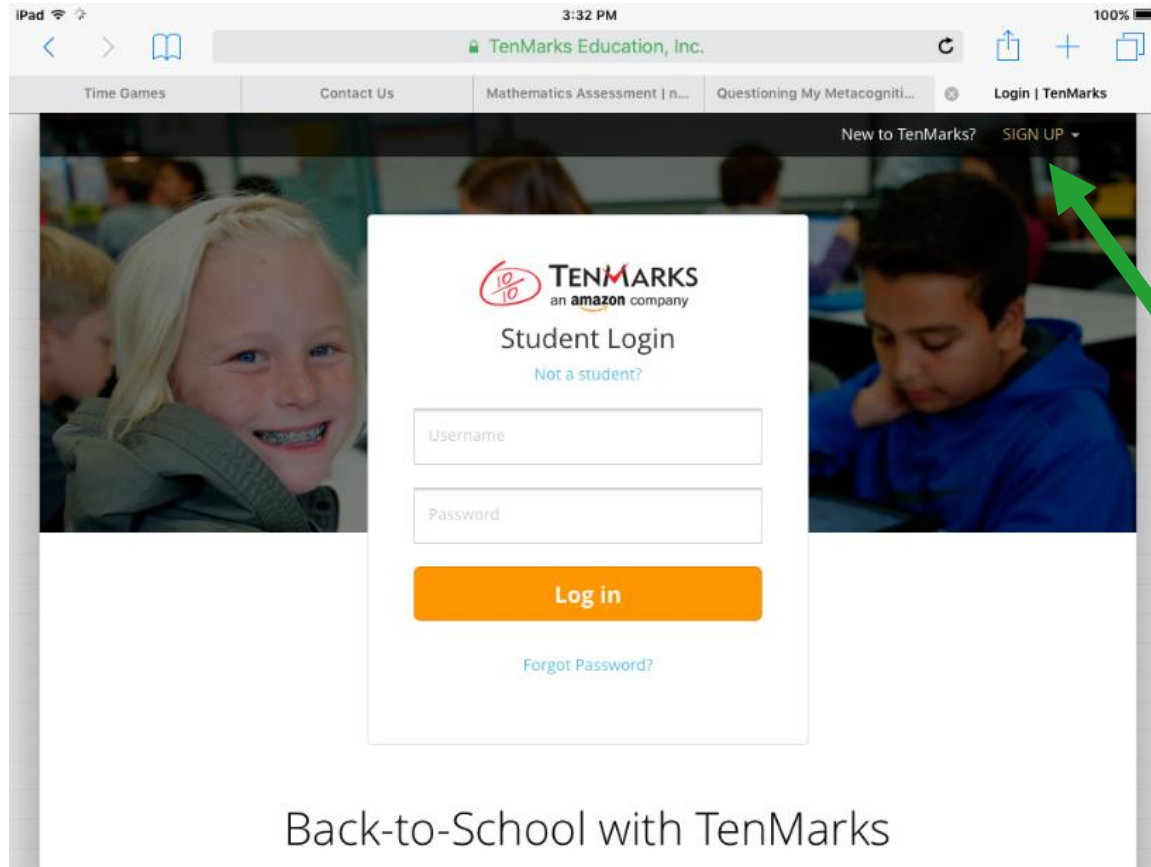

## Reports

- Show student performance on class assignments
  - Provides class average
- Report cards for individual students
  - Shows student's score in comparison to class average
- Summary for each assignment
  - Provides student's score, number of hints used, number of videos watched
  - Can view which questions each student missed

## Adding your Students

Add student names and we'll create accounts for them.

The assignment you just created will be immediately available to your students.

Paste or type your students' names into the box. Use separate lines or a semi-colon to separate names. 

Meg Smith

You've added **1** name to the roster.

[See how your students will look in TenMarks.](#)

By clicking the button below, I agree that for students who use my TenMarks classroom subscription, I am an authorized school official and consent to the child's use.

ADD STUDENTS

- Type students' names into the box
- Separate each name with a semi-colon or type names on separate lines
- Click Add Students when finished

## Adding a Track

The screenshot displays the 'All Tracks' section of the Buford Professional Learning Network. The interface includes a top navigation bar with 'HOME', 'WORK', and 'REPORTS' tabs. Below this, a secondary bar lists 'Class Assignments', 'Curriculum', 'Assessments', 'Individual Work', and 'Jam Sessions'. A search bar labeled 'Search Content' is on the right. The main area is titled 'All Tracks' and features a 'Take 2 minutes to set up your curriculum to match your pacing guide!' notification. A guided tour overlay, labeled 'Step 1 of 4', instructs the user: 'Let's start by naming your first unit. (e.g. Unit 1, Module 3) PRESS ENTER WHEN DONE'. The overlay points to an 'Enter Unit Name' input field. Below this field, a checkbox is next to '3.OA.1' and the word 'Relating' is partially visible. A 'Report Issues' link is located in the bottom right corner.

- Tracks allow you to group assignments according to your pacing guide

# Buford Professional Learning Network

The screenshot displays the Buford Professional Learning Network interface. At the top, there is a navigation bar with 'HOME', 'WORK', and 'REPORTS' tabs. Below this, a secondary navigation bar includes 'Class Assignments', 'Curriculum', 'Assessments', 'Individual Work', and 'Jam Sessions'. A search bar labeled 'Search Content' is located on the right. The main content area is titled 'All Tracks' and shows a list of tracks. The first track is '1st Quarte...' with a status of 'Assigned 1 of 1'. The second track is '3.OA.1 Relating Multiplication and ...' with a green checkmark icon. On the right side, there is a 'Grade 3' dropdown menu and a search bar labeled 'Content in Grade 3'. Below this, a list of topics is shown: 'Operations & Algebra', 'Number & Operations in', 'Number & Operations: Fractions (11)', 'Measurement & Data (15)', and 'Geometry (2)'. A yellow callout box with an arrow pointing to the search bar contains the text: 'Step 3 of 4', 'Search for topics to add to your unit. (e.g. fractions or 3.OA.2)', and 'PRESS ENTER WHEN DONE'. A vertical button labeled 'Report Issues' is on the far right.

## Dashboard

The screenshot shows the Buford Professional Learning Network Dashboard. At the top is a teal navigation bar with a logo on the left, links for HOME, WORK, and REPORTS in the center, and a 'Test' dropdown and a user profile icon on the right. Below this is a secondary bar with 'Dashboard' (underlined), 'Class Roster', and 'Add a Class'. A 'Search Content' box with a magnifying glass icon is on the right. The main content area is divided into two columns. The left column, on a dark grey background, shows 'Domain Coverage' for '3rd GRADE' with a progress indicator '1 of 9' for 'Operations & Algebraic Thinking' and '0 of 3' for 'Number & Operations in Base Ten'. The right column, on a light grey background, is titled 'Your Dashboard for Test' and contains a section 'What's happening in your class' with the message 'No new updates to the activity of your class.' Below this are three buttons: 'Watch Intro Video', 'Download Roster', and 'Download Parent Letters'. At the bottom, a blue bar indicates the current week 'Sep 27 - Oct 3' with a 'Next Week >' link. Below this is a table titled 'Assignments Due' with columns for 'Students' and 'Summary'. The table lists one assignment: 'Relating Multiplication and Addition - 3.OA.1' due on 'Oct 1' with '0 / 1' students completed. A 'Report Issues' button is on the far right.
