

## Search Smarter

Adding just a little extra to your Google search can make a big difference. Give it a try! Type the following:

calendar kindergarten lesson site:pinterest.com

Adding the “site:pinterest.com” is the secret sauce. In geek speak, that is called a “search operator”.

The screenshot shows a Google search interface. The search bar contains the text "calendar kindergarten lesson site:pinterest.com". Below the search bar, the "Web" tab is selected, and the search results are displayed. The results include three links to Pinterest pages:
